

## ANNUAL NOTICE OF DISENROLLMENT RIGHTS

- Your enrollment in Evercare Choice is voluntary.
- If you feel you no longer need long term services or you wish to enroll in another Managed Long Term Care Plan, you may voluntarily disenroll from EverCare Choice.
- If your disenrollment is due to dissatisfaction with our plan, please contact your Care Manager so that we may address any dissatisfaction or issue you may have.
- After you provide us notice of your desire to disenroll, EverCare Choice will give you written notice confirming we received your intent to disenroll and you will be given an effective date for termination of your coverage.
- The effective date of disenrollment will be the first day of the month following the month in which the disenrollment is processed.
- You will be asked to sign a Voluntary Disenrollment Form. EverCare Choice will continue to provide covered benefits until the effective date of disenrollment and will make all necessary referrals to alternative services, no longer covered by EverCare Choice, after the disenrollment date.
- Please note that if you disenroll and you continue to need long term care services, **you are no longer able to obtain such services through the Medicaid Fee-For-Service (FFS) program.**
- You can join another MLTC, Mainstream Managed Care plan (if Medicaid only) or a New York State waiver service program, if eligible.
